### If three or more teams have an equal number of victories

The following principle will apply to rank the worst team(s):

- The fewest classification points
- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition

**The two remaining teams will be ranked according to the result of their direct match.**

<b>TP Gvn</b>	Technical Points given

### If three or more teams have an equal number of victories

The following principle will apply to rank the worst team(s):

- The fewest classification points
- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition

**The two remaining teams will be ranked according to the result of their direct match.**

### If three or more teams have an equal number of victories

The following principle will apply to rank the worst team(s):

- The fewest classification points
- The fewest victories by « Fall »
- The fewest match victories by superiority
- The fewest technical points scored in the whole competition
- The most technical points given in the whole competition

**The two remaining teams will be ranked according to the result of their direct match.**
